

Discover which systems and school processes support success for English Language Learners, and develop campus-specific action plans to increase achievement for ELLs.

Our Partnership Includes:

A three-day training for campus leadership teams and district staff

- **Day 1: Needs Assessment & ELL Systems Evaluation**
 - Data Analysis of ELL Performance & E3 ExcELL Tool Review
 - Identify Campus Target Priorities & Create Goals for Priorities
- **Day 2: Action Planning**
 - Action Plan Development & Peer Collaboration
- **Day 3: Refine & Implement**
 - School Culture Analysis & ELL Cultural Proficiency
 - 30-60-90 Plan & Staff Accountability

Introduction to and use of E3 ExcELL Tool

- Recognized by the *White House Initiative on Educational Excellence for Hispanics*, the tool is a roadmap for systems change at the campus level
- Includes four areas of focus:
 - Instructional Leadership
 - Teacher Effectiveness
 - Community Engagement
 - School Climate
- District and campus leadership teams utilize the tool, along with campus-level data, for self-evaluation of existing systems and practices in order to prioritize actions

**Download a free digital copy of the tool on our website: services.e3alliance.org

Want to bring E3 ExcELL to your district or campus?
