**E3 Effective Tier 1 Instruction** guides teams to develop a strong instructional foundation. Teams will learn how to create consistency from classroom to classroom. Leaders develop a Campus Instructional Playbook and implementation plan.

Workshop and support services where leaders and teams will:

- **Learn** why a focus on Tier 1 Instruction is critical for school success.
- **Develop** a Campus Instructional Playbook, a shared leadership tool for improving instruction across all classrooms.
- **Study** a systematic approach for leading campuswide, focused practice of micro-skills to improve instruction.
- **Understand** and develop systems of instructional leadership for curriculum, assessment, teacher collaboration, and classroom instruction.
- **Engage** in a protocol to evaluate current campus professional and collaborative practices.
- **Create** an actionable, detailed plan to lead change for your campus.

E3 Alliance values shared leadership and designs workshop experiences so they are intentionally integrated with collaboration and processing time for leaders and teams.

**E3 Effective Tier 1 Instruction aligns with these prioritized levers of the Effective Schools Framework:**

- **Prioritized Lever 5**
  EFFECTIVE INSTRUCTION

**WHAT EDUCATORS ARE SAYING ABOUT E3 EFFECTIVE TIER 1 INSTRUCTION**

“The Tier 1 Instruction training and specifically the Campus Instructional Playbook created a guide and a focus on my campus. We also were able to develop systems with professional development and a clear path to success.”

- Principal, Hays CISD

“The ongoing coaching and support has grown all of us as Instructional 1 leaders, as an administrative team and even the teachers. All of this has taught us to reflect on our instructional approaches and how they affect our students’ academic achievement.”

- Superintendent, Odyssey Academy
